Kooperationsvereinbarung und Rahmenvertrag 2026

Sehr geehrte Damen und Herren,

We are delighted to present our corporate cooperation framework for the upcoming technical cycle. Following our fruitful discussions during the Munich Technology Summit, we have finalized the compliance specifications and delivery schedules.

Please review the attached terms of reference and confirm whether your technical delegation is available for the initial deployment briefing next Tuesday.

We remain at your disposal should your engineering division require any additional verification data.

Mit freundlichen Grüßen

Dr. Alexander Vance,
Managing Director
Acme Innovations GmbH
